Visitor Dress Code and Policy

The Benton County Detention Center has a modest dress code. Visitors must dress appropriately in order to be allowed to visit inmates within the facility. Visitors that are not dressed in accordance to the dress code will not be allowed to visit, **no exceptions**.

The dress code is as follows:

1. Shirts/tops must completely cover cleavage.
2. No shear or "see through" shirts/tops will be allowed. Skin and undergarments will not be visible through the shirt/top.
3. Shirts/tops will cover the midriff.
4. No tank tops, halter tops, spaghetti straps, sleeveless shirts, tube tops, or cut-out shoulder shirts are allowed. The shirt must completely cover the shoulder.
5. Shorts, skirts, and dresses must be of an appropriate length. While standing with arms resting to the side, the end of the fingertips should not pass the end of the fabric on the shorts, skirt, or dress.
6. Sagging or excessively baggy pants/shorts are not allowed.

Visitation Rules/Policy

1. Purses, wallets, satchels and bags are not allowed in visitation. Visitors are only allowed to bring their keys and proper identification with them to visitation. No other items will be allowed.
2. All visitors, including children, will abide by the dress code.
3. Children will remain with the responsible adult through the duration of the visit. They will not be allowed to walk unattended or run freely throughout the visitation room.
4. All visitors will pass a metal detector.
5. Cell phones are not allowed.
6. Only 4 visitors are allowed at one time. This includes children. Each visitor must be registered 24-hours prior to the visit.
7. Visitors can only schedule one visit per day.

If visitors remove coats, scarves, cloaks, shawls, or top coverings during visitation, violating the dress code, their visit will be terminated immediately. Visitors who pull clothing up/down or alter clothing, violating dress code or the rules/policy will have their visitation terminated immediately and be banned from future visits. Violation of the rules of the facility can result in a ban from future visits indefinitely.
